We would like to dedicate this yearbook to...

Maria McLaughlin, Senior Class Advisor

"I have the pleasure of working with seniors in the first semester during the most exciting time of their lives. I assist them with every aspect of the college application process and get to experience the joy of their successes."

"The students are by far the greatest reward of teaching. I must be quite lucky because there are students that I wish I could take with me for a lifetime."

Last message for the senior class-
"Learn from your mistakes and know that the world is yours. I envy each and every one of you because you have so much to look forward to. Take advantage of every opportunity and don't be afraid. The worst thing that can happen is you make a mistake and you learn from it."

Donald Gibson, Senior Class Assistant Principal

"Leaving knowing that I've helped at least one person and hearing 'Thank you Mr. Gibson.' is the most rewarding part of the job."

Fondest memory of MHS:
"All the students I worked with, either through coaching or through being assistant principal that still come back to visit or when I see them around, they are still happy to see me."

Last message to the senior class-
"You've only scratched the surface"

Without your hard work, our class would not have had the great experiences that you have given us. Thank you for making so much possible, and for never giving up and inspiring us towards greatness.

GO TEAM

We are thankful for... Gratitude

...All the wonderful people who helped make our 2007 yearbook a success.

Administration ~ for being patient and supportive of us, most especially Mrs. Hallbauer, she took her first year with a storm and assisted us whenever we needed her, Mr. Nick and Mrs. Obshatkin for always lending us a listening hear.

Faculty and staff~ for being understanding, helpful and reasonable in sharing the students with us. Anne Marie Krusell and the English Department ~ they were a great help in getting information to our seniors. Joe Austin, Mike Downs, Don Gibson, Karen Hallbauer, Ann Marie Krusell, Maria McLaughlin, Tracey McNicols & Joe Robillard for stepping out of their busy schedules to give us those challenging quotes. Joe Austin, Julie Chopas, Nick Collopy & Bill Silver ~ they did an awesome job in keeping us technically organized. Ann Marie DesRoches, oh, all those tips on how to keep interns organized! Our wonderful custodians ~ never hesitated in helping us move around chairs and tables during our bake sales. Diane Dandreta ~ for contributing all those tasty treats for our bake sale. Don Sestini is always willingly sharing his interns with us. What can I say, Laurel McMahon, diligently sends in her various groups' write ups! And dear Karen Fitzgerald, for contributing those countless sports photos! Dave Shaheen and his crew of students for also contributing different kinds of photos that were much needed. And yes, the girls ~ Anita DiCroce, Joy Santoro, Ellie Sicard & Louise Troia ~ all the everyday little help.

Our Parent volunteer, Robin Gordon, who included us in her one thousand other responsibilities! Our local businesses that saw it fit to advertise with us.

I can not say enough about my wonderful, hard working, patient staff and interns, most especially those who stepped up and gave it their all ~ Melissa W., Kristen O., Emily M., Tara K., Kemah T., Javiera R., Jessica M., Brittany H., Michelle D., Lisa P., Jon T., Faith G., Allisyn C., Diderot G., Szymon M., Hillary B., Rachel F., & Eric. Not forgetting Ryan Lablanc & Yris Reyes who are not officially on our yearbook staff but put in some finishing touches, and Don Sestini's interns who ran countless errands for us without complaints.

In closing, I would like to extend my special thanks to our representatives, LifeTouch, Terry Bleiler ~ whenever we need help with pictures he is always willing to either come in or send somebody else at a moments notice, no questions asked, and Jostens Kevin Dillon, who has the magic touch of pulling the book together, we use him more than we should, but he always walks in with the most willing smile and dives right in with endless possibilities.

As usual, the yearbook process was tough, but I had a ball working with everyone this year. My appreciation goes to all who contributed any kind of help, one way or another. Thank you class of 2007, and I wish you the very best in everything!

Photography Club

This club meets once a month to discuss how to take better photos. Students do not have to have had any photography background or have taken any classes to join this club. The only requirement is a willingness to share ideas for taking good pictures. You can use any camera to shoot your photos, digital, poloroids, any instamatic and even store bought throw aways. Activities are elected by members who run the meetings. This is a student run club. If you are interested in joining, speak with Mrs. Fitzgerald the club advisor or Cynthia Donahue and Stephanie Cormier, the current club co-presidents.
